

ASSET MANAGER

Codman Square Neighborhood Development Corporation (CSNDC) seeks an Asset Manager to join our talented real estate and asset management team. CSNDC is an ambitious NeighborWorks organization. We have been working in the Codman Square and South Dorchester neighborhood of Boston for 40 years, with a focus on issues of anti-displacement, equitable economics, and sustainable real estate development.

The Organization and Its Programs

CSNDC is building a cohesive and resilient community in Codman Square and South Dorchester. We develop affordable housing and commercial spaces that are safe, sustainable and promote economic stability for low- and moderate-income residents of all ages. We provide employment and business development programs and embrace and value diversity. CSNDC partners with residents, non-profits, and local businesses to encourage civic participation and increase community influence in decision-making, resource allocation and comprehensive plans for our neighborhood.

Real Estate Development & Asset Management Team

CSNDC's real estate and asset management team is led by an experienced Director of Real Estate. The team currently includes two Real Estate Project Managers; we're seeking to fill a separate Asset Manager position that will oversee the organization's 1,000-unit rental housing portfolio. CSNDC seeks an experienced real estate professional who will join the team and embrace the organization's mission to prevent displacement and preserve existing affordable homes in the neighborhood. The Asset Manager is a one-person sub-department under the direction of the Director of Real Estate.

Essential Duties and Responsibilities:

- Act as primary liaison for Codman Square NDC to the investors, limited partners, lenders, funding and regulatory agencies for completed properties currently in CSNDC's portfolio.
- Analyze monthly operating reports for each property to ensure adherence to performance objectives established by the Owner and its Lenders, Limited Partners/Investors, and Key Stakeholders. Develop and distribute regular reports that track the physical, financial, and social health of the properties for internal and external parties.
- Collect, assemble, interpret and distribute data for monthly, quarterly and annual owner reviews. Coordinate periodic reviews of all assets with the goal of improving the physical, social and financial performance of all properties in CSNDC's portfolio.
- Coordinate monthly financial reviews and quarterly capital improvement review meetings between Codman Square NDC and property managers to identify sound practices which may be used across the portfolio as well as to identify potential problems and develop Plans of Action to address them. Review monthly and quarterly actuals against budgeted income & expenses statements. Other brainstorming session will be scheduled on an as-need basis.
- Coordinate the timely review, approval and submission of property budgets as required by investors, lenders and other funding agencies.

- Monitor and track key performance benchmarks (such as the NeighborWorks and NW Multifamily Initiative). Provide status report to the executive staff on a monthly basis.
- Work with the third-party property management company and the Codman Square NDC Admin and Finance Department to coordinate timely preparation of annual financial audits, annual tax filings and other annual reports required by various investors and lenders.
- Work with Real Estate Development and the third-party property management company to insure a smooth transition of pipeline properties developed into the property and asset management stage. This includes supporting lease up and related activities, working primarily through the property management firm.
- Oversight and finalize the property deal books including data updates into Salesforce.
- Work with Codman Square NDC's Real Estate Development department in analysis of development issues with the goal of advising on the asset management issues and needs (financial and physical) for all future pipeline properties under development.
- Identify the portfolio properties as candidates for refinancing, resyndication, or other restructuring, and working with CSNDC real estate staff and under the direction of the Director of Real Estate to prioritize and advance necessary resyndications and rehabilitations.
- Analyze and negotiate Year 15 investor exits strategies from LIHTC deals with assistance from the Director of Real Estate.
- Identify and direct the work of the redevelopment, design, construction, and other consultants as needed on property restructurings in coordination with the CSNSC real estate team; prepare financing proposals, negotiate terms and identify conflicts in loan/subsidy requirements for various projects/properties; coordinate the preparation and review of documents to reach closing on permanent and/or construction financing.
- Track replacement reserves to ensure sufficient funding for capital improvement project implementation.
- Track property financial restructuring in Salesforce (e.g., loan due dates, refinancing needs, etc.) and contract expiration issues. Develop, at least 12 months in advance of same, restructuring plans and processes to insure future financial viability of the properties.
- Evaluate the performance of the third-party property management company on a regular basis. Develop formal evaluative measures and templates to assess performance.
- Prepare monthly Asset Management reports, materials and PowerPoint presentation to present at the Real Estate & Asset Management Committee meetings.
- Review and assess annual property insurance premiums for budgets.
- Manage and monitor the Solar Net Metering for the Codman portfolio and working with Better Building for its annual reporting.
- Attend as needed at the Codman Square NDC's cooperative resident meetings and other resident groups.
- Other related duties as required.

Our Ideal Candidate

Our ideal candidate will be a team player who can see the big picture, while paying attention to detail, with a desire to manage a 1000 housing unit portfolio and the ability to multi-task in a face pace environment.

He/she will possess many of the following skills and qualifications including, but not limited to:

- At least 3 years of progressively responsible and relevant experience in affordable real estate housing development, real estate finances, property management and subsidy issues.
- A minimum of a Bachelor's degree in real estate, urban planning, community development or a related field; additional work experience may be substituted for degrees.
- Knowledge of and experience in applying for and managing projects financed with affordable housing funding programs including but not limited to the Low-Income Housing Tax Credit (LIHTC), HOME, Federal Home Loan Bank's Affordable Housing Program preferred.

- Knowledge and/or experienced in real estate budgeting and accounting principles of property and asset management.
- Excellent analytical and software skills and knowledge, especially the ability to create complex Excel-based real estate related spreadsheet analyses.
- Manage a large volume of activity and adhere to strict schedules.
- Anticipate, identify, and analyze opportunities and challenges; establish priorities, and efficiently allocate resources.
- Demonstrated ability to make sound decisions within the scope of the job.
- Ability to take the initiative to carry assignments beyond the original instruction in anticipation of future opportunities. Ability to follow general direction and work without constant supervision.
- Excellent judgment and the ability to make sound decisions within the scope of the job.
- Ability to work with and in racially, culturally and economically diverse communities.
- Persistence and skill working independently and as a part of team.
- Excellent verbal, written technology, communication including presenting information and organizational skills and
- A commitment to the organization's mission and philosophy of community empowerment.

Salary

Range \$60K to \$75K (negotiable) and commensurate with relevant work experience.
